WOMEN'S LEADERSHIP CONFERENCE

Leadership, professional communication, life/work balance, and even financial matters are all challenges that today's working women face in the professional environment. USPOULTRY's 2017 Women's Leadership Conference focuses on topics to assist women in overcoming these challenges and become successful leaders. The program, developed by a team of professional women in various levels of management and responsibilities who understand these challenges, addresses the leadership, management, and communication skills necessary for professional growth and encourages women in all levels of responsibilities to work toward and achieve their full potential.

Join us to learn ways to cultivate your leadership ability and empower your team! Register early! Don't miss it!
