A successful poultry operation depends on many critical factors. One of those factors is hatchery-breeder management. USPOULTRY’s 2020 Hatchery-Breeder Clinic is one of the most informative ways to keep your hatchery and breeder managers up to date on the latest technology, equipment, and effective management techniques. This year’s seminar, developed by a panel of hatchery-breeder specialists, will address such topics as Chick Delivery, Egg Handling, Feeding Programs, Vaccine Care, Hatchery Sanitation, and much more. To stay up to date on how to increase performance and quality throughout your hatchery and breeder operations, attend this valuable seminar. Register today!
