Georgia Tech Research Institute / ATRP

The 2022 National Safety Conference for the Poultry Industry is designed specifically for poultry facility and corporate safety personnel, as a three-day event with key presentations on important industry topics and updates on government policy. Highlights include Safety's Response in an Avian Influenza Outbreak; A Workplace Violence Panel; Mental Wellness: Whole Health After Injury; and Managing Heat Stress. There will also be breakout sessions for discussing best practices and current challenges, as well as networking and knowledge exchange opportunities with other safety and health professionals. The Safety Award Winners and Innovation Winners will also be announced.

You don't want to miss this great educational opportunity . . . Register Today!

REGISTRATION FEE

\$250

Complimentary: Students, Press and Planning Committee
