

PROGRAM INFORMATION

The 2024 National Safety Conference for the Poultry Industry is designed specifically for poultry facility and corporate safety personnel, as a three-day event with key presentations on important industry topics and updates on government policy. Highlights include A Washington Update . . . What's Coming Down the Pike for Safety; Occupational Health: Treatment Protocols and Workers' Comp Claims Management; Industrial Hygiene Best Practices; A Cryogen and PSM Update; and much more, including the ever-popular Breakout Sessions that encourages networking and knowledge exchange opportunities with other safety and health professionals. The Safety Award Winners will also be announced.

You don't want to miss this great educational opportunity . . .
