APRIL 21

615.736.7100

PROGRAM INFORMATION

USPOULTRY's 2025 Poultry Processor Workshop agenda is sure to give plant personnel the necessary tools to keep you and your operation running efficiently and effectively! Advancement and change continue at a rapid pace in today's poultry industry.

USPOULTRY
U.S. POULTRY & EGG ASSOCIATION

As increasing automation and new management techniques occur, the poultry processing plant feels the impact perhaps more than any other operation in the company. Throw in labor challenges and talent development, and managing the plant becomes more complicated day by day.

Make sure you keep up with today's fast-paced poultry industry. Register early for this year's Workshop. You will benefit . . . your company will benefit! You won't want to miss it!
